On motion of Supervisor MacDonald seconded by Supervisor Jacob, the following resolution is adopted:

WHEREAS, the distressed state of the economy in San Diego County warrants the delay of any rulemaking which might have a harmful effect on business retention and the attraction of new business to the area; NOW THEREFORE

BE IT RESOLVED that it is the policy of the Board of Supervisors that:

1. With the exception of a regulation necessary to protect against imminent threats of public health or safety or a regulation requested by business or a regulation which will not have a significant economic impact on business, no new or revised regulations or no new fees or taxes shall be proposed during the 1993 calendar year unless otherwise specified or required by federal or state law.
2. With the exception of a regulation necessary to protect against imminent threats of public health or safety or a regulation requested by business or a regulation which will not have a significant economic impact on business, any new or revised regulation proposed during the 1993 calendar year shall include implementation dates no sooner than 1994.
3. In the event that significant problems or issues arise under this policy, the Chief Administrative Officer shall return to the Board for further direction.
4. The purpose of this policy is to minimize the burden on business of new regulation imposed by the County and to attract new business to the area.

BE IT FURTHER RESOLVED that the Clerk of the Board is ordered to place the above policy in the Board of Supervisors Policy Manual; and

BE IT FURTHER RESOLVED that the above policy will sunset only after consideration of the Board of Supervisors in January, 1994.
